Her wishes are respected. PT staff will continue to encourage , reassure her, get other staff and family members such as herself to encourage her when available. PT staff will continue to try to call Suzette when resident refuses PT, but it may not always be possible eg. when resident refuses to allow staff use her phone to call daughter, when phone is dead-needs to be charged but she would not allow staff to charge it for use, or there have been times when she has verbalized that she doesnt want to talk to her daughter, phone may not be located as she may have placed it and forgotten the location, etc.	PT - Physiotherapist PTA
